A BIG THANK YOU FROM NEWKIDZ ON THE BLOCK

Dear Jako & The Superseal Team,

Newkidz on the Block co-ordinates extreme makeovers & much needed general maintenance at Children's Homes; marginalized Early Childhood Development Centres; Foster Family / Safe House Accommodation; Child headed households; Community Centres and Shelters for abused women & their children with the help of corporate sponsors and volunteers.

We use these projects as a vehicle to create awareness and support of orphaned and vulnerable children in South Africa in the hope that many of them can be integrated into loving family homes.

**We would like to THANK YOU so much for your kind donation of paint!
Every single litre is a HUGE help and does not go unnoticed!!**

Warmest regards,
Stacey & the Newkidz on the block team
